

My name is Belinda Callick,

I have worked in Administration/Accounting/debtor management for over 25 years, I studied the Cert IV in Accounting (Bookkeeping) in 2011 and became a BAS agent in 2014.

I have worked with many small businesses in various industries including, Self Storage, Excavation, Building, Construction, Electrical, Transport, Greenkeeping just to name a few.

I have always loved numbers, administration, organisation and reconciling, I have great attention to detail and would love to help **Revive** you from the hassles of bookkeeping & admin while you concentrate on growing your business.

I am based in the Northern Suburbs of Melbourne and with Cloud technologies I can work from anywhere.

I am experienced with Xero,

Myob & Quickbooks accounting packages, I am Xero Certified & a bronze partner. I am also Myob practice partner

I am a member of the Australian Bookkeepers Association and have up to date Professional Indemnity Insurance.
